- Sailboats can only be used in designated sailboat waters
- Boating is not permitted in certain areas. Please review the map and observe all restricted areas
- Boats left overnight can be secured hull-side up with lock and chain to trees above the water line or boat racks if available
- Once a boat is removed from the reservoir it must be steam cleaned and tagged again before returning to the reservoir or to a different reservoir

## A few words about eagles

The NYC reservoir system has some of the highest Bald Eagle nesting densities in New York State. These reservoirs are critical habitat for the Bald Eagles nesting there, and are protected under State & Federal regulations. Disturbance of Eagles or their essential behaviors is illegal, and has associated penalties. Please do your part in the continuing recovery of our American symbol by enjoying the opportunity to watch the Eagles' activities from a distance greater than 350-feet, avoiding making loud noises, and respecting any signage that has been placed indicating Restricted Areas. For more information on eagles contact NYSDEC Wildlife at (607) 652-7367.

## Boat Cleaning

All boats are required to be steam cleaned prior to being placed on the reservoir in order to help prevent the introduction of zebra mussels and other invasive species to the City's reservoirs. Invasive species affect both water supply infrastructure and water quality and would add millions of dollars to annual maintenance costs. Steam cleaning and other DEP approved practices will be continued. In addition to steam cleaning, boats will be inspected for other aquatic nuisance species.

## Designated Steam Cleaning Vendors

The vendors listed will be supplying steam cleaning services for a fee for those wishing to obtain a **temporary or seasonal pass**. When you visit these locations, please remember to support these local vendors and purchase your supplies from them. Vendors are subject to change. For an updated list of DEP Designated Vendors, please see the DEP website at [www.nyc.gov/dep](http://www.nyc.gov/dep).

## Boat Rentals

You don't have to own a boat to enjoy the reservoirs – there are many area businesses that will rent you a boat and arrange for your permit on a daily basis. Listed below is a sampling of local outfitters (for a complete listing go to [www.thecatkillregion.com](http://www.thecatkillregion.com)) and some even provide lunch as part of the package. Please call ahead for hours of operation.
